

# IMPACT HEAD

## Impact Evaluation Plan · 1-2 pages

---

### THE SCENARIO

Resala Visits is organizing a Fixing Visit for a low-income family. The initial assessment found the house needs wall repairs, repainting, a replacement wooden door and several electrical repairs. The visit is two weeks away with 25 volunteers, the materials are not secured yet, and all planning must be done before the visit date.

### WHAT YOUR SUBMISSION MUST COVER

- The success indicators you would use to evaluate the visit.
- The feedback you would collect and from whom.
- A simple outline of the post-visit report.
- Recommendations you might provide for improving future visits.

### SUBMISSION REQUIREMENTS

- Complete only the task for the head you applied to.
- One to two pages maximum.
- You may use bullet points, tables, diagrams, or sketches where appropriate.
- Your work should be clear, organized, and practical. Creativity is encouraged where relevant.
- Submit at <https://resala-auc.github.io/tasks/> at least one hour before your interview.
- Share a link anyone at Resala can open — Google Drive, Canva, or a PDF link.
